> Subject: AF BRAC FY20 Acquisition Information
>
> Greetings Castle and Norton Team,
>
> AFCEC is beginning the acquisition process for our follow-on
> Performance-Based Remediation contracts and would like to keep you informed
> as well as solicit your input as we strive to meet your expectations. This
> email from our PBR Action Officer is to serve as an FYI and to let you know
> he will be reaching out to you for further discussion in the near future as

> Greetings,
>
> AF BRAC program is starting the acquisition process for FY20 cleanup
> contracts. AF BRAC is interested in sharing what we are doing and engaging
> with you early in the acquisition process. We believe early engagement to
> understand your expectations is important to the success of our cleanup
> program.
>
> The attached Request for Information (RFI)#1 is a courtesy copy. We have
> attached a comment response matrix, please reply to all if you would like to
> provide comments. The RFI is the first step in the acquisition process, it

> serves to gauge market interest in order to refine our path forward. Keep
> in mind the documents contained in the RFI are draft and subject to change
> as additional information is received. We will post the RFI to Federal
> Business Opportunities website next week.
>
> The attached ASTSWMO paper and checklist will be used as framework for
> future BRAC/regulator engagement. We will reach out to you for further
> discussion in the near future.
